was beneficial over dry Gowls the report was not encouraging as the result was almost a failure. In his report the Excise Comr said that cultivation was undertaken in Mandeshwar on a small area and that the Dy Comr Kolaba also was requested to issue licences to people in Gotigaon Taluka for the cultivation of Ganja. He reported at the same time that the services of the menials ie 4 watchmen 2 peons were dispensed with & that the Continuance of the supervisor was necessary. The file on the subject was submitted to Govt on 12/5/10.

and that the services of the establishment are necessary to preserve the cultivation. It is not clear if he has once entertained the peons & watchmen and if he has, the necessity for them for the whole year is not understood. He proposes however for the early sanction of Govt for the continuance of the establishment.

(3) As per orders the Budget provision to meet the cost the Hirse Comy had provided in the original budget for the full establishment for the whole year 1910-11. But as the Co. Comm had reported that the services of the peons & watchmen had been dispensed with the provision for these men was struck off & that for the overseer was recommended by the Sessions Administrative Section & the reduced subject to formal sanction of Govt.
